Among the top 3% of private high schools in America

WE ARE TMI

Located in the Texas Hill Country, just 20 miles from downtown San Antonio, TMI Episcopal is a coed, college-preparatory school for students in grades 6-12. Its rich history dates back to 1893 when the school was founded by the Episcopal Diocese of West Texas and has grown to become the excellent academic community it is today. From honors and Advanced Placement courses, a wide range of fine art and athletic activities, and the optional, distinguished JROTC program to the school's dedication to service and leadership, TMI is a place for students to engage, learn, and grow into the well-rounded leaders of tomorrow.

OUR MISSION

Our school's mission is focused on developing lifelong servant leaders, following the teachings of Jesus Christ, while providing students with an excellent educational community in which to be challenged and prepared for prestigious four-year colleges and universities, service academies, and studies abroad. The passion and commitment of our faculty helps students to develop their full potential and give them opportunities in service and leadership. The core values that guide our school center on **wisdom, integrity, service, excellence, and reverence.**

OUR CULTURE OF PHILANTROPY

TMI Episcopal tuition covers 90% of the full cost of educating each student. The Advancement Office raises the lion's share of the funds each year to support the gap between tuition revenues and the school's operating costs. Our major efforts are the TMI Fund and two major fundraising events.

There are a number of ways to support TMI, and we've structured name recognition opportunities to meet what we think is an attractive return on your investment in our school. Your support is important to our continued mission, and our opportunities provide outstanding marketing and advertising avenues and ways to express your belief in TMI. Plus, **donations made to The TMI Fund are 100% tax-deductible.**

TMI Fund Recognition Opportunities at TMI Athletic Events

There are several ways to create visibility for your organization on our campus. Because we have a robust array of extra-curricular activities, there are several ways to have a presence at our events. Most of our facilities are used throughout the year and not limited to the academic year. Our facilities, including two gyms, fields and indoor pool, are regularly rented by outside teams for practice, games, and weekend tournaments.
